Defensive Driving Course: Coaching the Mature Driver

How it works:

Minnesota State Law requires that your auto insurance company reduce your auto insurance cost by 10% if you are age 55 or older and complete an approved Defensive Driving course.

You take an 8 hour course the first time, then a 4 hour refresher course every 3 years to keep the discount. These are Minnesota Safety Council courses conducted by Dan Forby and sponsored by Lehman's Garage.

Location: Lehman's Garage Bloomington
Upstairs Office
171 American Blvd W
Bloomington, MN 55420

This class will be upstairs

4 hour refresher course:

Date: Thursday, January 24, 2013

Time: 9:30 am - 1:30 pm

Instructor Fee: \$10

***Only take this course if you've taken the 8 hour course previously.**
